Name of the event : Old Age Home visit
Date : 26/01/2023
Venue : Little Sisters of the Poor
Target Group : People in the home
No. of students participated: 7
Objective : To be with the elderly people and spend some time with them.

About the event : Department of Economics conducted an extension activity on 26th January 2023. The final year students along with three staff members visited the Old Age Home "Little Sisters of the Poor" and rendered their service. The students spent some time with the elderly people and helped them in small chores. Our students gave a lot of emotional support the elders. They were all very happy since most of the elderly people were feeling lonely, since their children had left them.

Outcome : Students learnt to spend more time with their family people. At the same time, they also felt that the elderly people should not be sent to any Old Age homes unless there is nobody to take care of them. The elderly people wanted to spend more time talking with youngsters. Therefore our students will be visiting them often. Our students also distributed snacks for the elderly people.
