Organic Farming:-

As the quote goes, "Your diet is a bank account. Good food choices are good investments." It is good to hear about good and healthy food but in today's world, finding a perfect example of healthy food is a herculean task. Not only junk food, even the so-called healthy fruits, and vegetables now seem to be toxic because of the unknown chemicals used for their growth. People fear a lot from the bottom of their hearts even drinking water and milk. We are not able to identify and judge between healthy and toxic food. In a situation like this, the need of the hour and a great way to come out of the problem is *organic farming*. The members of Hethaya Henga Team decided to learn about organic farming and implement it and had an introduction session about it with Mr.Balachandar, Gobichettipalayam - Organic Agriculturist on 5th August.

Acupressure:-

Hethaya Henga Team and Academy for Acupressure Bangalore, and Acupuncture, conducted a special acupressure camp. The resource persons for this camp were Dr.H.Bhojaraj, ISRO Scientist, and Mr.Girish Sankar, an Expert in acupressure from Bangalore. The camp was held on the 16th and 17th of July. Many people took part in this camp and benefited from it. Basic methods to be followed to lead a healthy life were given by the resource persons. Introduction to acupressure and single points and key points we taught. They also thought about acu meditation and acu massage. Mr. Girish Shankar also did live demos with three participants for Acu Massage which amazed everyone with the results. The team decided not to stop at this point, they wanted to learn more and go deep in this field. The team is now practicing and experimenting with many points with the guidance of Dr.H.Bhojraj and Mr.Girish Shankar. These 48 days we are practicing single point remedies everyday and now we are able to treat ourselves and others using the single points taught to us.
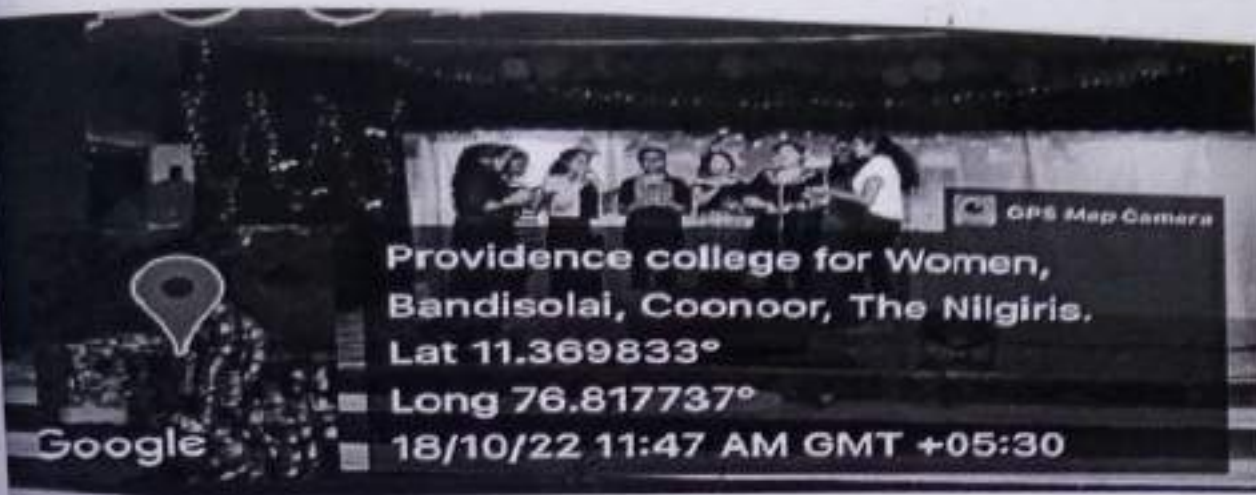

Experiences:

Kowshika : We tried many experiments with the acupressure points taught to us by Dr.H.Bojaraj and Mr.Girish Shankar, it really did wonders on our problems.

Keerthana Ganesan : I tried for heel pain and headache and it worked out very well.Even I suggested to my neighbours to try this and it worked out very well.

Reshma: I tried for heel pain, headache and energy and it worked out very well.

Jamuna: I tried for heel pain and energy . It really worked out well .
