Greetings from Xavier Board of Higher Education in India !

May the Grace of God and the Communion of the Spirit keep us united as one in the Name of Jesus

On behalf of Xavier Board of Higher Education in India, it is my pleasure to welcome you for the National Triennial Conference from 22nd -24th October 2022 at St. Joseph Vaz Spiritual Renewal Centre, Goa. The Triennial Theme "Journeying with the Synodal Spirit through Networking and Academic Collaborations - Together in Communion, Participation and Mission" takes us to the mind of the Catholic Church and to draw up guidelines for the new directions in higher education in the coming years.

Xavier Board is honoured and privileged to host this three day event. The conference, the first of its kind, focuses on the challenges of higher education in India in the light of the Synodal Spirit, an in depth view on Functional Collaborations among member colleges, international/ industrial collaborations and also the election of the leaders of the Xavier Board to take it forward with the Synodal spirit and with a sense of mission. This is a great opportunity for our member colleges to meet, interact , share and learn from one another. We hope that this triennial conference will be a proactive and mutually enriching educational/academic experience. Your presence in this major event of Xavier Board is valuable. We are looking forward for your interactive presence in this National Triennial Meet.
