

Webinar on Advancements in Bioscience Research

18.11.2022

The Department of Botany organized a webinar on the topic "Advancements in Bioscience Research" on 18th November 2022. Dr.N.Vislakshi, Head; Department of Botany welcomed the gathering. Miss Shajitha, Assistant Professor, introduced the Resource person. The resource person of the day Prof. Dr.R.Ragunathan, Director and Research supervisor, Centre for Bioscience and Nanoscience Research (CBNR) in his speech explained about the recent trends in various fields of biological research. Also he briefed about the funds available for life sciences. He explained about the carrier opportunities for the students of Botany, apart from that he also mentioned in his talk about the role of microbes in forensic sciences. Mrs. Praveena, Assistant Professor, proposed the vote of thanks. The webinar enriched the students in motivating them to pursue their higher studies and research.

TALK ON " CONVENTIONAL AND MODERN TECHNIQUES IN PLANT TISSUE CULTURE " (20.03.2023)

A talk was organized by the Department of Botany on the topic "Conventional and modern techniques in plant tissue culture". Dr. Lekha, Assistant Professor of Botany, PSG College of Arts and Science, Coimbatore and Alumnae of the Providence College was the Resource person of the day. She was introduced by Dr. Visalakshi, HOD of Botany. The Resource person gave a detailed explanation through a Power Point presentation which demonstrated graphically the importance and significance of plant tissue culture and its application in various fields of Life Sciences. The students enthusiastically interacted during the session as they learnt in detail about the callus culture, shape, structure, explants culture of various species etc. Many were motivated towards the subject Tissue culture as she explained about the conventional and modern methods of growing new plants through different explants through attractive slides and how they could expand the knowledge in this field in their Higher studies as their project at PG & Research levels.

Language Lab report 2022-2023

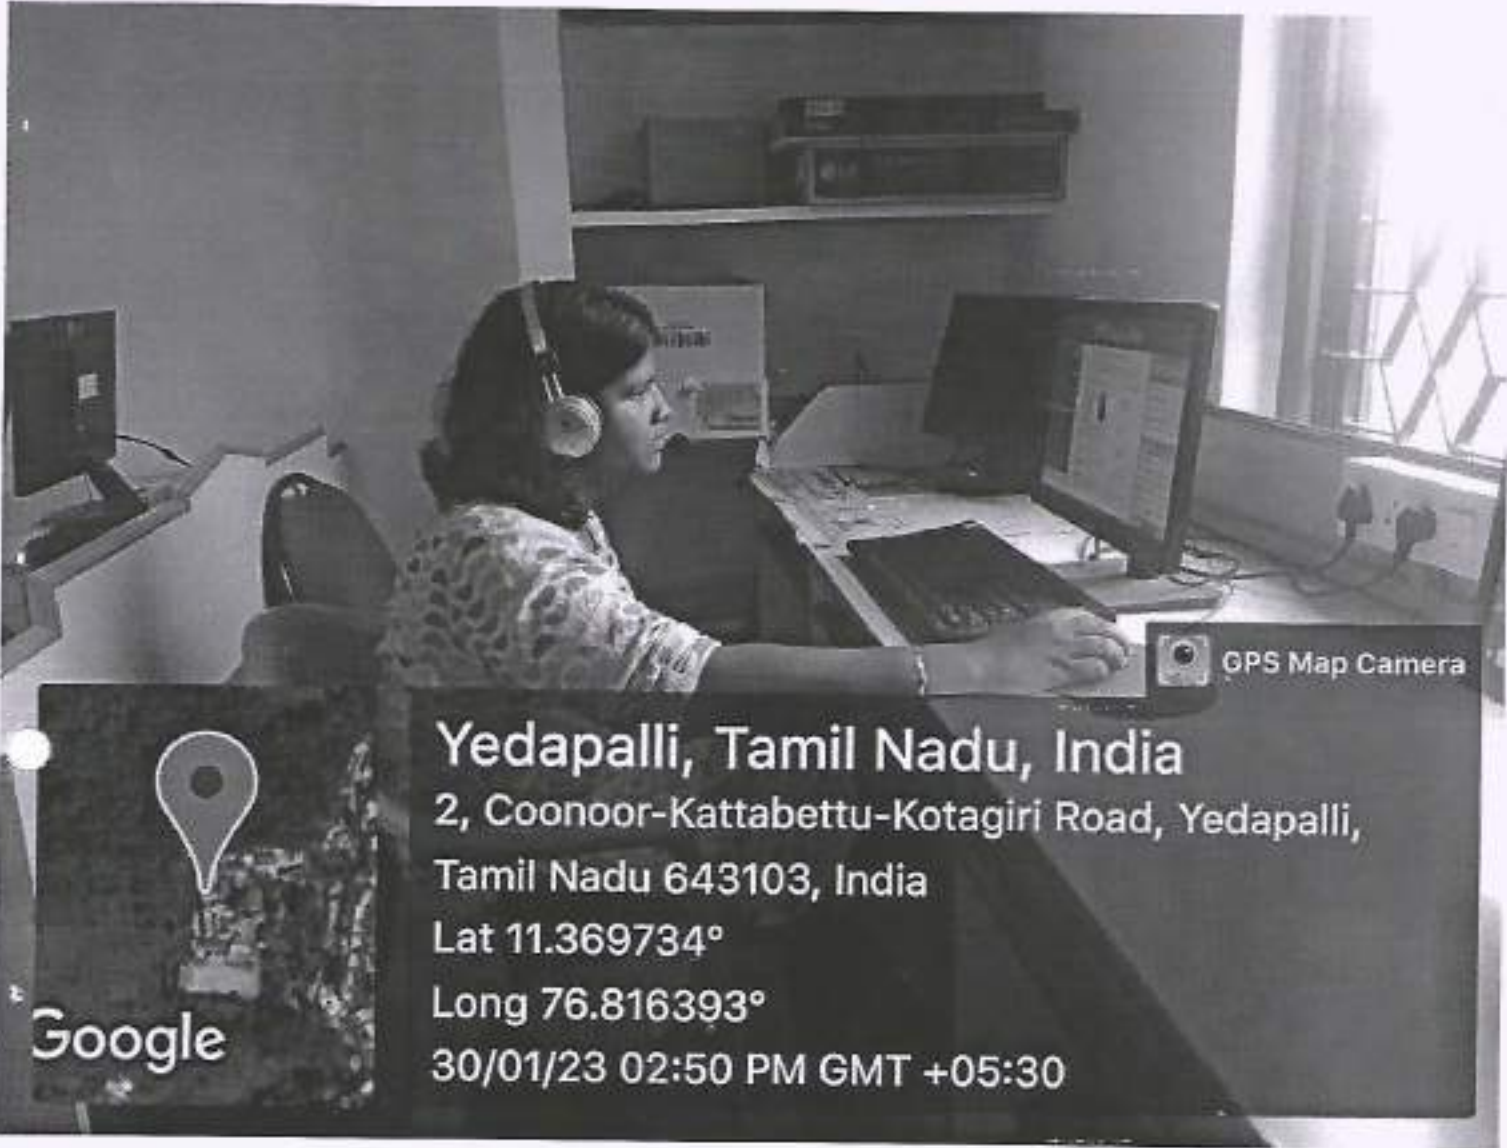

The Department of English offered a certificate course entitled Communicative Skills that facilitates students to practice English language via computer based activities and exercises. The course provides a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students e - learning environment to practice English in an interactive way to acquire Listening, Speaking, Reading and Writing skills. The effective use of the lab will enhance their vocabulary and proficiency in speaking in English.

The language lab is equipped with 15 computers with speed internet facility and audio-visual aids to refine the linguistic skills of the students. The content available in the software is highly rich and practically useful. They can stop, start and repeat the activity. Thus Students acquired the knowledge of LSRW Skills and they had confidence in their speaking proficiency.

REPORT

Guidance Class

2022-2023

The Guidance Classes for the year 2022-2023 was conducted on 2 alternative first day order. The first session on 17th August 2022 was handled by Heartfulness Institute, a non-profitable global organisation, for mental wellbeing and balanced lifestyle. A team of four members promoted easy ways of scientifically proven Relaxation techniques aided with guided meditation.

The second session on 26th August 2022 was on Stress Management again handled by Heartfulness team. The session brought to our students a wide spectrum of techniques to manage stress, anxiety and maintain an overall well-being.

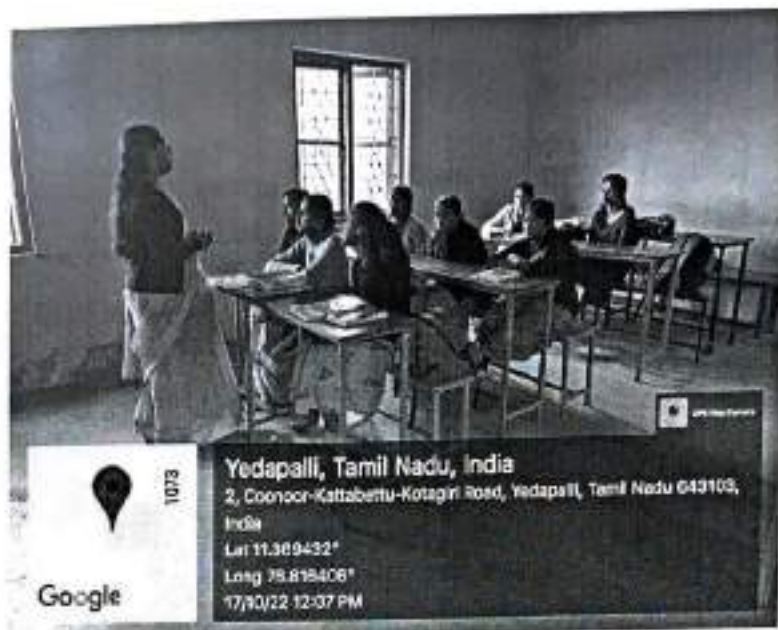

On 27th October 2022, a team of activists from Worldwide Veterinary Service addressed the students on animal welfare and latest skills and supplies to vets and animal lovers. The talk aimed at improving health and care of animals with special attention to eradication of rabies.

Following this the remaining classes during the semester were handled by a team of teaching staff. Students were divided into small groups and a teacher was assigned to each of these groups. The classes aimed at helping students understand themselves, become self-sufficient in making realistic and positive selections and grow in human relationships. Discussion on values focused on student's acquiring positive attitudes and values to become dynamic members of societies.
