4	Dr. Bhuvana	
5	Mrs. Rekha R S	
6	Dr. Annie Christi	
7	Dr. Visalakshi	
8	Dr. F Malarvizhi	
9	Dr. Amudha	
10	Dr. Hemalatha	
11	Dr. Anandakrishnan	
12	Dr. N. Sudha	
13	Ms. Cynthia George	
14	Dr. Jyoti	
15	Dr. Savitha	

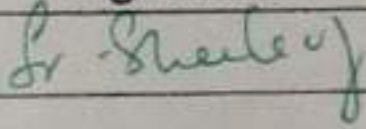

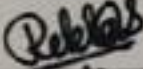

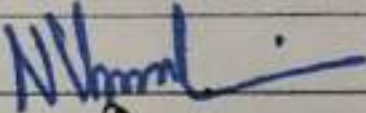

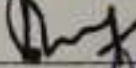

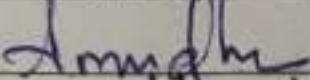

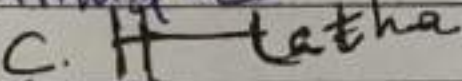

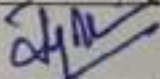

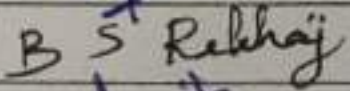

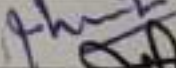

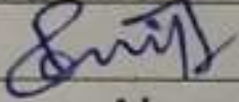

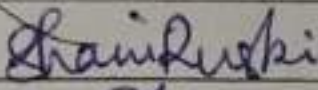

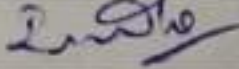

MINUTES OF THE MEETING

The Academic Council meeting was held on second September 2022 at 11.30 am with all academic council members. Dr. Savidha, I Q A C coordinator explained about the requirements for Criterion 2, which has to be passed by the Academic council carries more marks during NAAC assessment. if the questions are marked depending upon the Blooms Taxonomy. The controller has got a software to evaluate the question paper and that would be the proof for the attainment. So for this an input should be given by the concerned staff members to do this process. If we could attain this, it would be a qualitative analysis for the student's performance. Dr. Beulah Vijayarani, Deputy Controller said that when they handed over the documents of last year to the I Q A C the only thing that was missing was this attainment and asked the the staff

members to try this from the First internal examination. Suggestions were asked regarding this, the Academic Council members agreed to implement Blooms Taxonomy from this internal exam. Dr. Beulah Vijayarani said that this is just a trial, if need any clarification IQAC can help us. She told that the semester question papers has been given to the departments to try to apply this K1, K2 pattern for the questions. She also suggested that the syllabus can be started with the objective and end with the attainment.

The Question paper having this Blooms Taxonomy pattern can be handed over to the Controller section. But the student's copy K1, K2 pattern need not be printed. Deputy controller gave clarification about this regard. The pattern for the internal question paper was discussed and the conclusion was made as—Section A-5*1, Section B with open choice of 7

Members Present

No.	Name	Signature
