

CENTRE : VEDIC MATHS (APTITUDE) AND COMMUNICATIVE ENGLISH

REPORT OF THE YEAR 2016-17

Our department started Vedic Maths and communicative English for our first year students from July 2016. This course was introduced mainly to improve the aptitude of our students, which inturn will help our students to attend many competitive examinations. Communicative English is given to our students to improve their speaking skill which inturn will help them attend the placement interviews and group discussions.
